

Project Status Report -- DSLS App

June 2026

Dear Aunt Pauline,

I hope this message finds you well. I am writing to express my sincere gratitude for your generous contribution of UGX 200,000 toward the development of the DSLS App project. Your support has made a real difference.

Project Progress

The DSLS App is a software platform currently in active development. Even with modest investment, the project has achieved meaningful progress and continues to show promising results. We have successfully set up the core architecture and are now refining key features. Development is still ongoing as we work toward a stable and complete release.

Accountability

Below is a summary of how your contribution has been utilised:

Item	Amount (UGX)
Internet data bundles (research, hosting, API)	80,000
AI and API service subscriptions	55,000
Transport for team meetings and collaboration	40,000
Printing and photocopying project documents	25,000
Total	200,000

Thank you once again for your kindness and belief in this project. I will continue to keep you updated on our progress.

With gratitude,

Okello David
